

KATHY

Dan, Dan, Dan...what career aspirations do you have?
What are your goals?

DAN

My goals?
(gawks at her cleavage)
Mountain climbing...

KATHY

You're on the Delta contract,
right?

He nods. She makes a face, unimpressed.

DAN

What's that look for?

She looks around their area...

KATHY

Look at the way they treat your
team. You don't even have cubes.

He takes the brow beating.

KATHY (CONT'D)

Your BFF, Randy...

He nods.

KATHY (CONT'D)

He used to be a contractor. I
turned his position into FTE.

She gestures to the ceiling...

DAN

Are you suggesting...

KATHY

Yes, I'm talking about you being a
"made" man.

He perks up.

DAN

You have an opening?

KATHY

Well, if my boss is in the wrong
then we might.

She tries to reel him in...

KATHY (CONT'D)

No more long hours, no more ops, no
more on
call...and...we...are...long term.

His eyes light up with every perk.

She points to his keyboard.
